Protected by Canadian Patents: 2,175,442, 2,310,367, 2,310,073, 2,204,106, 2,310,362, 2,310,414, 2,262,338. Other patents pending.

Specifications, finishes and dimensions are subject to change and should be taken as a guide only.

The clear advantages of Electraflame electric fireplaces

Realistic flame

Incredibly lifelike, patented flame technology creates the look of a wood fire.

Instant ambiance

Add the warm feel of a real fireplace or stove to any living area in just minutes.

Safe and clean electric operation

No combustion means no carbon monoxide and the glass stays cool to the touch.

Effective Heat

Provides supplemental heat for up to 400 sq. ft.

Economical

Enjoy the flame for 3¢ per hour, 8¢ with the heater.*

Operates with or without heat

Enjoy the flame without the heat for comfortable year-round pleasure.

*Based on average national residential electricity rates. Electricity rates vary. Heater cycling at 50%.
